WHAT WE DO

A community resource center for the Near Eastside

Westminster Neighborhood Services serves people on the Near Eastside of Indianapolis, primarily in the 46201 zip code. Since our founding as a ministry of Westminster Presbyterian Church, we have offered a food pantry and soup kitchen, a summer camp for kids, and special initiatives throughout the year. In everything we do, we seek to offer genuine connection, choice, and dignity.

WHO WE SERVE

Neighbors who need us most

Westminster is a welcoming community space where neighbors can show up just as they are. We prioritize building relationships, and at times we may be the only ones helping neighbors navigate hard situations.

While 26% of Near Eastside neighbors live below the poverty level, a full 58% of households are struggling to make ends meet.* Our services help neighbors dismantle the systemic barriers standing between them and their goals.

*SAVI.org: 58% of 46201 households are below the ALICE threshold or in poverty.
